Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner contacted Mr. Callahan to provide electronic copies of the photos submitted with the Declaration under 37 C.F.R. 1.132 filed on October 10, 2006. It is noted that the submitted photos were scanned into the file and the Examiner is not able to study the evidence provided. This communication was a follow-up to a message left in attorney's office on November 30, 2006 with the same request. .
